TOTAL CUSTOMERS	SUCCESSFUL SUBSCRIPTIONS	OVERALL CONVERSION RATE
45211	5289	11.70%

KEY BUSINESS INSIGHTS

BUSINESS AREA	KEY FINDING	BUSINESS IMPLICATION
Customer Demographic	Customers aged 60+ had the highest subscription rate (33.63%).	Evaluate tailored outreach for older customers.
Job Category	Students had the highest subscription rate (28.68%).	Explore customer needs across job segments.
Campaign Timing	March had the highest rate (51.99%), based on 477 customers.	Validate seasonal patterns using larger samples.
Contact Frequency	Conversion declined from 14.60% after one contact to 3.93% after 11+ contacts.	Review repeated outreach and test contact limits.
Previous Campaign	Previously successful customers had a 64.73% subscription rate.	Use prior campaign outcomes to guide follow-up.
Customer Engagement	Calls lasting over 5 minutes had a 28.17% subscription rate.	Monitor engagement; duration is known only after a call.

Note: Conversion rates show historical associations, not proof of causation. Small customer groups may produce volatile rates.
